

...To Receive \$50,000!

*Make a difference in our 2018 giving to
Savannah Presbytery!*

An anonymous donor has committed to match dollar for dollar the difference between 2018's actual unified giving that exceeds 2017's actual giving total, up to \$50,000!

This means anything over 2017's total of \$259,919 remitted for 2018 will be doubled!!!

In 2017 the Savannah Presbytery churches remitted a total of \$259,919 in actual giving.

As of September 30th, the total of actual giving received for 2018, is \$202,937.

As we approach the end of 2018, please consider increasing your giving, above your pledges, so that we can surpass 2017's actual giving. Savannah Presbytery could use a free gift of \$50,000.

Please ask your Pastor, or contact the Savannah Presbytery on how YOU can help make this happen!
