As a Grammy and Dove nominated artist, this nationally sought after storyteller and musician has been described as the most versatile comedian on stage today. His award-winning musical talents, coupled with his crystal clean humor, have people of all ages laughing their ribs loose! With over three decades of world travel under his performance belt, he has developed his concerts into more than just a great show. He uses humor to motivate and inspire by uniquely delivering life lessons. He also has an extraordinary way of weaving songs into his stage performance as he masterfully displays his musical abilities on piano, guitar and harmonica. Tim's chart-topping comedy songs are continuously aired on Sirius/XM Satellite Radio, as well as other major radio stations around the country. His comedy has been featured on videos that have garnered both gold and platinum sales awards.

Tim is also the host of the national TV hit, *The Music City Show*, aired weekly on five syndicated networks, including RFD's FamilyNet, NRB and Heartland.

Recently inking a deal with StowTown Records as their first comedian, the upcoming release of his new comedy DVD, ***Living in a Coffee World***, features material that is not only hilarious, but also family friendly. The video was recorded at Lee University and covers a plethora of Tim's humorous observations of everyday life. One comedy song tells of him drinking a "freight train espresso"...a monumental mistake!

In one of his zany stories, Tim relays a comical version of the woes of surviving the antagonization of an elementary school bully. He then seamlessly shifts the focus to encouraging kids and teens who are currently faced with untold bullying. This thought provoking moment reaches the hearts of students and adults alike.

Tim's passion for life is contagious and effectual. The excitement in his comedy concerts cannot be described, it must be experienced. He not only wants people to laugh, his ultimate goal is to utilize humor with a purpose to encourage people to discover real joy and inspire them to passionately pursue their own dreams.
