

SAVANNAH PRESBYTERY'S
J. RICHARD BASS
School of the Laity
OF THE

Savannah Presbytery invites all to experience our School of the Laity. Come with us to beautiful Epworth by the Sea on Saint Simons and stimulate your mind, fortify your soul, and build relationships with other Presbyterians.

While there are no pre-requisites to taking a single class, *our June session provides an excellent opportunity to begin the full 2-year program which will change your faith journey!* Join others and grow together as a cohort-
The Class of 2022!

June 26th-28th, 2020 “Intro to the Bible” *

Dr. Bob Bryant, Professor of Bible at Presbyterian College and favorite School of the Laity faculty member of many years, will be joining you for a survey of the entire Bible. Together you will spend the weekend learning about the Bible, exploring where these texts came from, why these texts are included and other texts are not, what these texts have to say, and how these texts are meaningful for people of faith today.

Such an extended and focused period of time with the Bible in the company of others may be a new experience for some. Regardless, it will be for all of us a time to grow in our relations with God and with one another.

****This course is a critical core class for those interested in the full 2-year School of the Laity program. The 2-year program leads the students through seven weekend courses over a two-year period: Intro to the Bible, New & Old Testaments, Reformed Theology, Polity, Practical Ministry, and Worship & Sacraments. Graduates are strengthening their congregations, the presbytery and the Presbyterian Church (USA).***

Registration forms and more information can be found at www.savannahpresbytery.org
