

Dogwood Acres Registration Guide: Savannah Presbytery Summer Camp

At Dogwood Acres, many churches choose to support their youth by covering part of the cost of camp or retreat experiences. When a church offers financial support, it provides a **church-specific discount code** that applies to participants' registrations.

Each church determines what its discount will cover (for example: a portion of the registration fee, a set dollar amount, or another arrangement). The details for each church's support are listed below so families know what has been dedicated on their behalf.

How Church Discount Codes Work

- Discount codes are **provided directly by your church**.
- During registration, you will enter this code in the **Church Information Form**.
- **The discount will not appear immediately** on your account.
- Once registration is fully completed, our Dogwood Acres staff will review the registration and **manually apply the church's discount**.
- After the discount has been entered, your household account balance will update accordingly.

We appreciate your patience during this process, as it allows us to ensure each church's support is applied accurately and correctly.

If You Don't See Your Church Listed

If your church does **not** appear on this document, it means Dogwood Acres has not been informed of a discount or financial support being offered at this time. If you believe this is a mistake, we encourage you to **contact your church directly** to confirm whether support is being provided and to ensure they have shared that information with us.

As always, if you have questions about the registration process, we're happy to help. We're grateful for the partnership of churches who make it possible for more youth to experience camp at Dogwood Acres, and we look forward to welcoming your family.

St. Simons Presbyterian Church - SSPRES

50% of the camp registration fee, not including the camp store
