

M.K. Pentecost Ecology Fund

“Go Green!” Church Grant Application Guidelines

Mission Statement and Beliefs:

The mission of the M.K. Pentecost Ecology Fund Committee is to promote and support ecological stewardship of natural resources. We believe that the church has a responsibility for protecting God’s creation, seeking environmental justice, encouraging conservation, promoting education, and restoring eco-systems.

Eligible Applicants:

Savannah Presbytery’s M. K. Pentecost Ecology Fund Go Green! grants may be awarded to member churches of Savannah Presbytery who are undertaking projects within the life of their congregation that support the presbytery’s ministry of environmental justice and ecological stewardship of natural resources by attempting to make their church facilities “green”. In general, these funds are to be used for the sound stewardship practices of conservation in our everyday activities. The M. K. Pentecost Ecology Fund committee encourages Children and Youth groups to be a part of the planning and implementation process. There are several faith-based web sites geared toward helping churches “Go Green” (one such website is greenfaith.org). Or type in “Go Green” in your search engine and see what comes up!

Dates and Deadlines:

Applications and all supporting documents must be received *no later* than **April 1, each year**.

The M. K. Pentecost Ecology Fund Committee meets in May to review applications and make grant awards. Grant awards will be announced at the May Stated Meeting of Savannah Presbytery or soon thereafter.

The committee meets again in January to review reporting documents from grant recipients.

Applications:

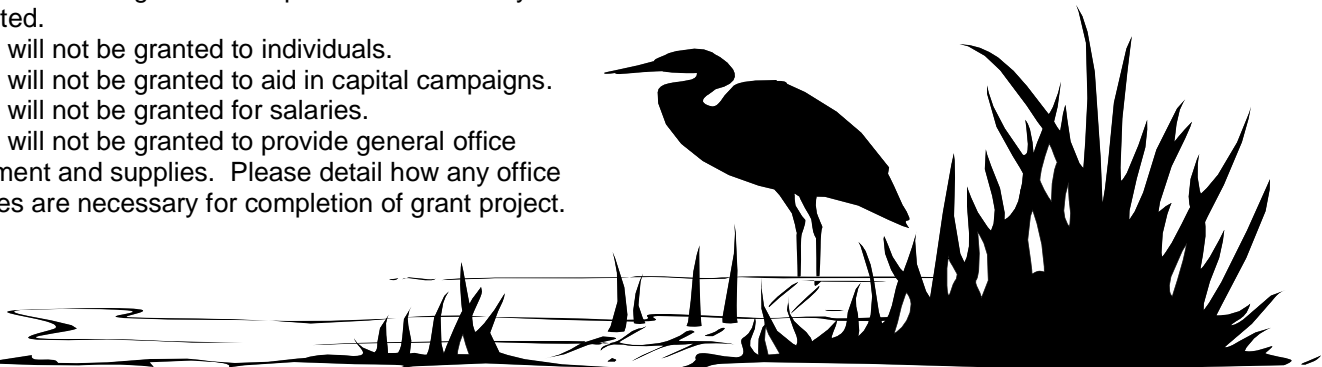

Applications should be submitted to Ed Torgersen, Chair of the M. K. Pentecost Ecology Fund Committee at Torge40@gmail.com. After your application is received, he will contact you to arrange a site visit, if appropriate.

Funding Criteria and application instructions:

- First preference will be given to those applicants that demonstrate sound “Green” practices at the church level and encourage the members to use those same sound “Green” practices in their own homes and communities.
- Funds may be used to establish new projects or expand existing projects.
- Applications may be submitted for up to \$400. In the application description and proposed budget, indicate whether partial funding would be acceptable.
- Evidence must be given if matching money has been secured for the money requested from the M.K. Pentecost Ecology Fund. Matching funds may have priority over other grants.
- Please provide a copy via e-mail in a PDF file format of the application form, the description pages, and the proposal budget.

Funding Restrictions:

- Funds will not be granted to reduce deficits.
- Funds will not be granted to provide endowment funds.
- Funds will not be granted to replace items currently budgeted.
- Funds will not be granted to individuals.
- Funds will not be granted to aid in capital campaigns.
- Funds will not be granted for salaries.
- Funds will not be granted to provide general office equipment and supplies. Please detail how any office supplies are necessary for completion of grant project.
